Rochon Corporation

- Crosstown Corporate Center was recognized by the National Association of Industrial and Office Properties (NAIOP) with the award of excellence in 1999. The project is adjacent to a natural wetland and features an attractive exterior of brick, stone, and reflective glass.
- Crosstown Corporate Center offers a strategic location at Crosstown Highway 62 and Shady Oak Road. Crosstown's excellent location provides access to major freeways including Highway 212, Highway 62, Highway 169, and Interstate 494.
- Class A finishes are found throughout the entire building and include an elegant lobby with coved ceilings, granite floors, and maple finishes. The abundance of nearby amenities which enhance Crosstown are jogging trails, a building conference room, underground executive parking, tenant storage, shopping and restaurants.
